

INTRODUCING "LVC AMIGO", LOS CABOS VACATIONS LOYALTY PROGRAM WITH FREE NIGHTS AND EXCLUSIVE BENEFITS

AT LUXURY VILLA COLLECTIONS WE ARE LAUNCHING A LOYALTY PROGRAM "LVC AMIGO", WHERE WE WISH TO REWARD OUR RETURNING GUESTS, AND OFFER YOU EXCLUSIVE BENEFITS ON YOUR NEXT LOS CABOS VACATION.

Dear Friends and Los Cabos travelers,

With the goal of always offering a superb customer service and added value to our guests, at Luxury Villa Collections we have created a Loyalty Program **"LVC Amigos"**. The aim of LVC Loyalty Program is to award our returning guests, and bring exclusive benefits and perks, not available elsewhere in Los Cabos.

Benefits of Luxury Villa Collections Loyalty Program LVC Amigos:

- **Birthday discounts:** Each registered guest will receive a birthday greeting from LVC with a gift certificate for one of the selected activities - spa treatment, golf tee access, a discount for a certain restaurant or other activity on their next visit to Los Cabos, when booking their stay with LVC. The certificate is valid for 1 year.
- **Anniversary greetings:** Each registered guest will receive a greeting with best wishes from LVC, with a note that on their next visit they will receive a romantic dinner for two and a bottle of wine, prepared by the private Chef in their Villa. The couple can exchange the romantic dinner for two for a couple's spa treatment in their villa. The certificate is valid for 1 year.
- **Airport transfer discounts:** All registered guests will receive a 10% discount on transportation.
- **Discounts:** all LVC registered guests will be able to use discounted rates for golfing, dining and activities with selected LVC partners.
- **Refer-a-amigo:** Each registered guest will receive 1 night FREE for referring us to a new LVC guest. The 1 night FREE is available to use when the referred new guest completes a minimum of 5 nights stay with Luxury Villa Collections. The value of 1 FREE night is equal to the value of a night of a stay in a Villa that the referred guest stayed at. *The free nights are a subject of availability (certain units are excluded from this offer) and cannot be combined with any other special being offered. Not applicable during December holiday season and Spring break.

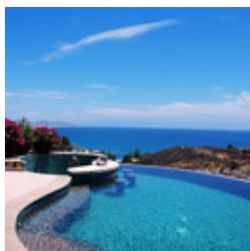

All our existing guests are automatically added to the LVC Amigo program. If you wish to become part of it, please reply to this email with "I want to become a LVC AMIGO", with your birthday and anniversary date.

The LVC Amigo Loyalty Program will evolve through time, we will keep you posted on specials and activities. For more information about the program please visit [here](#) or send us an [email](#).

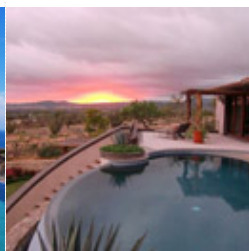

Happy travels, I look forward to seeing you in Los Cabos,
